

Pray Together With **CHRISTAR**®

Join us in prayer for these needs from partners in the Great Commission.

For Field Workers

During Ramadan, March 10 to April 8, lift up Muslims around the world observing this month of fasting. Pray they will hunger for the hope found in Christ, and ask God to give workers serving among them opportunities to share truth.

Pray for a team visiting Central Asia in March to explore ministry opportunities in a new location, with the hope of beginning long-term service there in July. Ask God to guide them to the right people and give them wisdom.

Ask the Lord to provide a new location for the ABC Health Foundation in Albania that will allow this ministry to continue to provide whole-person care rooted in biblical principles, medical education and community health programs.

Rejoice that three students in South Asia recently trusted in Christ. One is the first believer from his people group in his village! Pray for wisdom for workers in discipling them.

Pray for wisdom for workers in the U.K. as they disciple and train refugees for ministry. Ask that these believers from least-reached backgrounds will be powerful witnesses for the gospel wherever they resettle.

For Partner Churches

Praise God for a short-term team from a church in Virginia that served alongside a Christar team in Southeast Asia in January. Pray the relationships with least-reached people they initiated will lead to long-term ministry opportunities.

Lift up a sending church in Alaska that experiences a lot of congregation turnover due to its location near a military base. Pray the resident members will embrace their role in receiving, building up and releasing those who attend for short seasons.

Praise God for a team from a church in Kansas helping with a Christar conference in Japan. Ask that their service will help those participating in the conference be blessed with a time of learning and prayer.

Pray for a church in New York that is sending a young man on a vision trip to Central Asia. Ask that they will help him process what he learns overseas and offer wise guidance regarding long-term service.

Rejoice that 17 young adults from a church in Pennsylvania recently committed to long-term service among the least-reached. Pray for wisdom for this church in mentoring them as they pursue next steps.

For Missions-Minded Believers

Lift up a giver who is currently blessing another organization as interim CFO. Pray for safety and grace in travel, a seamless transition for this organization and that the Lord will be glorified through his service.

A giver who has been fighting ALS for years requests prayer for endurance for him and his wife, who has served as a faithful caregiver. Ask God to give them strength to focus on Him more than their personal challenges.

Ask the Lord to give believers in the United States opportunities to talk about spiritual things with their Muslim neighbors during Ramadan.

Lift up another giver struggling with ongoing medical issues. Pray for clarity for her doctors and that she will abide deeply in Christ and be a faithful witness.

Pray for God to bring abundant fruit in the remaining years of several givers as they seek to live well, serve faithfully and invest their experience and expertise for the sake of His kingdom.

For the CMCUS*

Ask God to work through Christar mobilizers as they visit college campuses to help students see how He could use their gifts and skills for His glory among the least-reached.

Praise God for those who are stepping in to prepare meals during a March RENEW debriefing retreat. Ask Him to provide people who can fill this role on an ongoing basis during conferences.

Lift up three families that recently left for their first term on the field as they adjust to living in a new culture. Especially pray for grace in transition for their children, who moved overseas in the middle of a school year.

Pray for wisdom for the Church Partnership Team as they seek to support and encourage sending churches navigating leadership transitions.

Pray as Christar begins a new major project with the goal of equipping more members of the Body of Christ to partner in the Great Commission. Ask Him to provide people, resources and insights to help us more effectively mobilize the gospel to the least-reached.
