

Pray Together With CHRISTAR®

Join us in prayer for these needs from partners in the Great Commission.

For Partner Churches

Pray for wisdom and courage for a congregation in Maryland as they explore how they could reach their increasingly international neighborhood.

Ask God to provide a missions pastor for a historically Great Commission-minded church in North Carolina.

Praise God for a church in Michigan that had the joy of planting a church in a local prison. Ask Him to give them wisdom in replicating that work in nearby correctional facilities.

Lift up a church in North Carolina as they coach a family planning to depart for North Africa in April. Pray they will come alongside this family well as these workers endeavor to start a business that will open doors for the gospel.

Pray for a church in Illinois focusing on effectual, fervent prayer this year. Pray that the whole body will participate with expectant faith to see God answer.

For Field Workers

Praise God for using dreams to reveal Himself to people in the Middle East. Pray for wisdom for Christar workers discipling those who've encountered Christ in this way and trusted in Him.

Pray for encouragement for the few believers within a Muslim minority people group in the Far East. Ask that they will faithfully meet together for fellowship and that God will use them to draw many others into His family.

Praise God for Japanese children who responded to an invitation to believe in Jesus and be forgiven. Pray for wisdom in discipling these new young believers and connecting with their families.

Rejoice that a new church plant of Afghan believers recently began meeting in the U.S. Pray this fellowship will grow and its members will boldly live out their faith despite the cost they'll face within their community.

Praise God for raising up Persian believers to serve in ministry roles in a church in South America. Pray He will work through them to help this fellowship reach other Persians with the gospel.

For the CMCUS*

Praise the Lord for the new workers who completed a pre-field training program last month and are preparing to serve in least-reached communities. Pray for individuals and churches to partner with them in ministry.

Pray for God's guidance as the Christar Mobilization Center U.S. seeks to cultivate collaboration within the Body of Christ to reach people groups that don't yet have access to the gospel.

Ask God to fill all Christar summer short-term opportunities with believers who are passionate about seeing the least-reached know Jesus.

Pray for wisdom for the Member Care team as they walk alongside workers who have experienced significant loss.

Rejoice that God has supplied all needed financial and prayer support for 11 new workers, allowing them to leave for their first terms in February. Pray for grace for each of them as they adjust to life and ministry in least-reached communities.

For Missions-Minded Believers

Ask God to raise up more believers in the United States to minister to over 1 million international students currently enrolled in colleges across the country. Many have never met a follower of Jesus.

Several Christar givers are eagerly awaiting the birth of grandchildren due in the spring. Pray for healthy pregnancies and deliveries and that these little ones will grow to love Jesus.

Several givers are asking the Lord to help them be especially fruitful in their remaining years. Join them in prayer as they seek to live well, serve faithfully and invest their experience and expertise in making an impact for God's kingdom.

Ask God to work through a new partnership to launch a ministry center focused on helping the Roma people gain meaningful work and move out of poverty as well as hear the gospel and experience the love of Christ.

Lift up two givers experiencing significant long-term health challenges. Pray for wisdom for their medical teams regarding ongoing testing and treatments, and join them in asking God that they will be sincere witnesses of His grace.
