

Join us in prayer for these needs from partners in the Great Commission.

For Field Workers

Lift up workers using their medical training in ministry in Albania. Pray for opportunities to demonstrate God's love and share the gospel while meeting physical needs.

Praise God for 300 junior high students in Japan who accepted copies of the New Testament. Pray each one will read the Scripture they received, and ask that God's living and active Word will draw them to Him.

Pray for opportunities to share truth on a deeper level with the refugee women who attend an exercise class outreach in the Middle East.

Ask the Lord to raise up more believers to join Christar workers in ministry among the least-reached in the Balkans.

Rejoice that two men from an area where Christians often face severe persecution have considered following Jesus worthy of the cost. Pray they will have courage in living out their faith and that God will use them to draw others to Him.

For Partner Churches

Ask God to use a missions conference at a church in Massachusetts to challenge the congregation to participate in the Great Commission.

Lift up a Michigan church welcoming a worker family back for a six-month sabbatical; pray the congregation will come alongside this family well. Ask for renewed health for family members, as well as clarity regarding future ministry.

Pray that through a Pennsylvania church's global focus weekend, the congregation will become more aware of the church's global partners and encouraged to be involved in these workers' ministries.

Ask the Lord to sustain a pastor in Texas carrying a heavy load as his church searches for a new youth pastor and a worship pastor. Also, ask God to provide the right people to fill these roles.

Join a Maine church in asking God to develop a greater commitment to global outreach in their congregation.

For Missions-Minded Believers

Thank the Lord for raising up new workers to join a team in North Africa. Lift them up as they prepare to head overseas early in 2025.

Praise God for a team of eight believers from Brazil who visited the Barnabas Building in October. Pray that through them, others will learn about the needs of the least-reached in South Asia.

Ask God to meet the financial needs of Central Asian believers with hearts to reach their communities with the gospel. Pray He will work through them to bring many into the Body of Christ.

Praise God that pastors in the Far East who received ministry training in the 1990s are making disciples and equipping others for ministry. Pray they will continue to serve faithfully, and ask God to multiply their efforts.

Rejoice that the Lord is raising up South Asian believers to take the gospel to communities where Western workers cannot go. Ask Him to provide for their needs and use them to establish churches where none yet exist.

For the CMCUS*

Pray that those who participate in Summit: Unity Unleashed November 1-2 will continue to partner with one another, focusing on strategies to more effectively mobilize the gospel to places that still lack access to the good news.

Continue to ask God to provide a new treasurer for the Christar Mobilization Center U.S.

Pray for new workers hoping to depart for the field in coming months. Ask God to provide all of their needed prayer and financial supporters.

Lift up those preparing to teach and run New Personnel Orientation and Pre-Departure Orientation in January. Pray that these two key trainings will prepare new workers well for thriving cross-cultural life and effective ministry on Christar teams.

Pray for wisdom in creating resources that help more churches and individuals use their unique gifts and experience to participate in the Great Commission.
