Pray Together With CHRISTAR

Join us in prayer for these needs from partners in the Great Commission.

For Cross-Cultural Workers

Pray with a small team in the United Kingdom that God will raise up volunteers from local churches to partner with them in ministry to South Asian immigrants.

Lift up members of a minority people group in the Far East who've encountered stories from the Bible as workers have asked them for feedback on a translation project. Pray they will be transformed by God's Word.

Praise God for giving workers teaching college courses in least-reached communities opportunities to build relationships with both students and fellow faculty who don't know any other followers of Jesus. Pray for opportunities to clearly share the gospel.

Pray with workers in the Balkans that God will enable them to build relationships with more people from a Muslim minority group.

Ask for continual wisdom for workers discipling believers in the Middle East who risk severe persecution for following Jesus.

For Partner Churches

Praise God for a church building a "home team" dedicated to caring for the workers this congregation has sent. Pray for wisdom as they seek to support their workers well.

Ask God to work through a missions conference at a church in Virginia to give members of the congregation a greater heart for the nations.

Praise God for several new discipleship groups in a small church in Minnesota, led by those who were discipled last year. Pray these new leaders will continue to be transformed by Christ as they humbly lead others into new life in Him.

Ask the Lord to provide the right person to serve as missions administrator at a church in Pennsylvania.

Rejoice in a church that recently sent its first worker in 15 years! Pray that this congregation will continue to grow in its involvement in global missions.

For Missions-Minded Believers

Praise God for a team of eight believers traveling to Japan to help with an annual conference for workers in that country. Pray that through their service, workers will be encouraged and blessed.

Thank God for a group of several dozen believers in the Far East completing a training program to equip them to share the gospel and plant churches among the least-reached in their region. Ask Him to use this time to prepare them for fruitful ministry.

Pray for strength, protection and wisdom for a South Asian believer who travels to five communities around her city each week to do outreach, and ask the Lord to work through her.

Praise the Lord for over two dozen believers who helped a team in the United States host summer outreaches for refugee children and youth. Pray that the young people who participated would remember what they heard and for wisdom for workers in following up with them.

Lift up Southeast Asian believers who've been trained for church-planting ministry and are returning to their home island, seeking to reach it for Christ.

For the CMCUS*

Praise God for everyone who participated in Explore in September and spent a long weekend seeking His guidance regarding their roles in the Great Commission! Pray for courage as they pursue their next steps.

Continue to lift up CMCUS mobilizers during a busy fall of campus visits and missions conferences. Ask the Lord to use them to help many believers see how He could use their gifts and skills in ministry among the least-reached.

Pray for wisdom and creativity for everyone involved in building an updated website.

Praise God for bringing several new members to the CMCUS staff in recent months. Pray for ongoing grace as they learn the ins and outs of their roles and seek to serve with excellence.

Lift up the finance team as they enter a full season of year-end responsibilities and planning for the year to come.
