Inner Circle Requests

Pray for good fellowship and productive collaboration as CMCUS member care staff meet with others who serve in similar roles from throughout the Christar International Network.

Lift up our mobilizers as they kick off their fall season with several conferences and events. Ask God to give them good connections with believers who would be a [good fit for Christar](#).

Ask God to provide 100% of the support needed by three new staff members, joining our church engagement and mobilization teams, by the end of the year.

Lift up everyone participating in EXPLORE Christar. Pray that those considering cross-cultural ministry will come away encouraged and with clear next steps. And ask that the church leaders attending will gain an understanding of how Christar can help them send well. Pray that this time will strengthen relationships with missions-minded churches.

Ask the Lord to enable us to make rapid, accurate and sustainable progress on ongoing finance initiatives. Pray for understanding from our financial partners as we continue to adapt to new systems and processes.

Ask God to provide for two families and two single workers who are hoping to begin long-term ministry in September. Especially lift up one couple that has struggled to obtain needed visas.

Pray for wisdom and discernment as the member care staff at the CMCUS plan for the October RENEW debriefing retreat.

As we begin to promote our new [Church Ministry Residencies](#), we ask God to bring both recent graduates with hearts to serve and churches eager to invest in the next generation. Pray that through this program, men and women will be equipped with the hands-on experience they need to effectively serve within the Body of Christ, whether in the United States or overseas.

**Those who have little or no access to a church that preaches the gospel in their language and in a culturally relevant way.*

Pray Together With **CHRISTAR**®

Join us in prayer for these needs from partners in the Great Commission.

For Cross-Cultural Workers

Praise God that over 70 refugee children participated in a vacation Bible school outreach in the United States. Pray that each one will remember what they heard about Jesus and want to know Him personally.

Lift up a new team being established in the Balkans. Ask God to use these workers, many of whom have served in the Middle East, to reach a Muslim people group.

Praise God for using a business started by workers in South Asia to give them opportunities to live out their faith day to day among least-reached people. Pray that several individuals who are seriously considering Christ will place their faith in Him.

Ask the Lord to raise up more workers to serve alongside a team in Southeast Asia.

Rejoice in 13 children who dedicated their lives to Christ during a summer camp outreach in the Middle East. Pray for courage in following Jesus in a place where very few of their peers share their faith.

For Missions-Minded Believers

Praise God for a group of believers in South Asia who recently completed a course in understanding and sharing the gospel with Muslims. Pray for boldness as they apply what they learned.

Ask the Lord to raise up Yazidi believers to serve as leaders in a forming Yazidi church.

Praise God that a Christar worker's student recently led a classmate to the Lord! Pray that both women will grow in their faith and have courage in living it out in their community in the Far East.

Lift up two pastors from Latin America who visited Christar teams in Southeast Asia to learn more about ministry there. Ask God to work through them as they seek to get people from their churches involved in ministry in this region.

Thank the Lord for the nearly 40 believers from 24 countries who participated in a four-week course on the biblical basis for missions at an international church in the Far East. Ask Him to use what they learned to continually motivate them to participate in the Great Commission.

For Partner Churches

Pray for an Ohio congregation as leaders give a presentation on what it means to be a sending church. Ask God to work in the hearts of members He is leading to serve cross-culturally.

Lift up a church in Alaska as it welcomes a worker back from the field for the first time. Pray that church members would be encouraged as they hear how God has been working through the one they sent.

Praise God for 200 people who attended a commissioning service for a new worker who left for the field in late August. Ask Him to use what they saw and heard to prompt them to consider their own roles in the Great Commission.

Lift up three men from a church in Kansas who visited workers in Japan and got a taste of ministry there. Ask God to use them to encourage others to get involved in what He is doing in this nation, where fewer than one in 200 people knows Jesus.

For the CMCUS*

Pray that Christar's new Church Ministry Residency program will effectively equip the next generation of church planters as it provides a framework for experiential learning and mentorship.

Ask God to guide those who are considering taking their first steps toward serving among the least-reached through Christar. Pray for wisdom and courage for each one as they seek His guidance.

Pray for wisdom for the Executive Team in making decisions that impact the entire U.S. mobilization center and all of the workers sent through it.

Lift up participants in EXPLORE Christar, a long weekend designed to help participants discover how they fit into God's plan of salvation for all nations. Ask the Lord to use this time to guide them as they consider their parts in the Great Commission.

Pray for wisdom in planning and preparing for the October RENEW debriefing retreat. Pray that each worker who participates will be refreshed and equipped for thriving cross-cultural ministry.
